

88 Dunster Beach

Idyllically set on the boarder of the Exmoor National Park, and on the edge of the Medieval village of Dunster, rests Dunster Beach. 100 year old Beach Huts nestle on the shore. Where Amusement Arcades are banned and Buckets and Spades encouraged, this is the land that time forgot. We let Chalet 88 and chalet 89 next door individually or together to accommodate larger groups.
